Last February when, as Musical Adviser, I sat down with the other members of the production team to plan Scoutabout 1981, I little expected to be writing, as District Commissioner, to welcome you to the show! However, it is indeed a pleasure to do so and to thank you for your support and wish you a pleasant evening with us.

It would be remiss of me not to take this opportunity to thank my predecessor Mr. Eric Plenderleath, for the tremendous support which he gave to Scoutabout during his time as District Commissioner. The Gang join with the whole District in expressing appreciation of the great interest which he always took in our annual production.

It seems to be the accepted thing for each year to commemorate something special. Last year it was seventy years of Scouting in Chester and next year we celebrate the 75th anniversary of the Founding of the Scout Movement; 1982 is to be known as 'The Year of the Scout'. This reminded me that Scoutabout itself is in the 28th year since its inception at the Cathedral Refectory in January 1953. I am convinced that the 29th performance will be every bit as good as the other 28 and that, with your support, it will be just as enjoyable for cast and audience alike.

With a membership approaching 1900, Chester is second only to Warrington which is the largest District in Cheshire with 2200 members. In order to provide a challenging programme to take our Cubs, Scouts and Venture Scouts into the 'Year of the Scout' we rely upon your continued backing for social occasions such as this and also for the boys and leaders in the groups of our District. May I use this occasion to thank you all for your interest and I hope that we can look forward to your support in the future.

I would like to say a personal 'Thank You' to all those involved in this year's show both on stage and behind the scenes and I now invite you to make yourselves comfortable for 'IT'S GANG SHOW TIME'.
