It gives us immense pleasure for Margaret and I to be able to wish the Gang of 2000 every success with their Production.

I have been associated with Gang Shows all my life and have had the honour of involvement in Chester for the past 25 years.

Little did I think that one day I would have the privilege of representing the City "on the other side of the footlights".

The Gang Show is an integral part of the Scouting programme and does a great deal in promoting friendships between boys and girls of different Groups. It also builds up a great deal of confidence in those that take part.

It is very much a team effort, with as much involvement back stage and in front of house as on the stage itself and I thank and congratulate everyone involved in this year's production.

As we enter the new Millennium, we reflect on the past but seeing the talent and dedication of those participating tonight we can look to the future with confidence and optimism.

Thank you for your support, and to Matthew and his "Gang" - "Break a leg".

## Producer's LETTER

Hello again everybody, welcome to our 46th show! This year we have items which will transport you all round the world from the thrilling dances of Latin America, to 'Gay Paris', galloping along with 'The Quorn', then all the way back home to the East End of London. Just sit back in your seat and let us entertain you, I am sure that you will not be disappointed.

As you will probably realise, staging Chester Gang Show can only be achieved by first class teamwork. This involves many people pulling together and putting in a tremendous amount of time and hard work. I would like to express my sincere thanks to the whole team, including Production, Technical, Wardrobe, Scenery and many others.

In particular I must express my special appreciation to Richard Clarke, the Assistant Producer for all his help in planning the programme, time spent at rehearsals and for keeping the paperwork moving. Thanks Richard, without your support this show would not have happened. If any of you, sitting out front, feel inspired and would like to help in any way, then just give us a ring. You never know, you could even be doing my job next year!

Anyway, it's time for the lights to dim and the curtain to rise. Strike-up the Band and enter the magic world of fun and make-believe, which is Gang Show 2000.

# From the **DISTRICT COMMISSIONER**

What better way to welcome in the new Millennium than to start it off with a great high point, "Gang Show 2000". This is the first of many events within the year's Scouting calendar to celebrate the Millennium.

Gang Show represents all aspects of Scouting; it is down to the dedication of "The Gang" that makes it such a worthwhile event. All those hours of practice and hard work are now coming to fruition. It is good to see so many people enjoying themselves and having a great time. In the words of the song, Scouting is a "Great, Great Game". It has stood the test of time. It is now moving forward, working for the youth of today and taking its place in the next century.

Matthew and his team have put together a wonderful show for your enjoyment. I hope you all have a great time this evening and thank you all for your continued support at the start of a new century.

Glyn Jones  
District Commissioner

### **Keith Musselle**

It is with deep regret that we record the death of Keith Musselle in December 1998. Keith first appeared in the show in 1972. He subsequently became Gang Organiser, and then rose to Executive Producer in 1980. Later, as District Commissioner, he still regularly performed on stage. We have lost a cheerful, enthusiastic Gang Member and a good friend.
