I am delighted to be able to support the 2008 Chester Gang Show. This event is such a wonderful opportunity for Chester District's Scouts to display their talent to family, friends and indeed the wider Chester community.

The Lady Mayoress and I would like to send our very best wishes to all the participants and volunteers for a successful show and our thanks and congratulations to all concerned for the hard work and dedication that we know goes in producing such a fantastic occasion for everyone to enjoy.

We hope you all have a splendid evening.

Lord Mayor

## MESSAGE FROM THE DISTRICT COMMISSIONER

I'm delighted to be able to write these words of welcome to all of you in the audience for our Gang Show, one of the long standing elements of the Scout calendar in Chester and District. The young people involved in the Gang Show – supported by some members of the cast who are a little older – are all active members of Scout Groups and Units in the Chester District; the Gang Show fills part of their time but they balance it with their other Scout activities as well as, of course, family and school.

Everyone associates Scouting with the outdoor life and this is a big part of the programme we offer to young people. But there is more to all our lives than just one aspect and we are always looking for ways in which we can widen the horizons of our members. Being part of a creative event like the Show means that the members of the cast learn a lot about working in a team, they get the

opportunity to express themselves and to exercise self discipline – and most important of all, whilst doing it they have a great time.

This week of entertainment is the culmination of a lot of hard work by many people; not least the members of the Gang who appear on stage but also the many supporters both back stage and front of house. Many thanks and congratulations to all of them! They're a credit to Scouting and to Chester.

Thank you for your support for our Gang Show. We all hope that you will enjoy it.

**David Bull**  
District Commissioner

# PRODUCER'S LETTER

It gives me great pleasure to welcome you to "See the Show", our 52nd Chester Gang Show and our first at the new venue of The King's School Chester, following the closure of The Gateway Theatre (our home from 1969!), a month after our production last year.

Having first appeared in Chester Gang Show (then "Scoutabout") in 1967 and having been involved with 26 shows since, (in the Gang, backstage and on the Production team as Cub Director last year), I must have had a momentary lapse when I volunteered to take on the role of Producer this year! Little did I know what I was taking on and I must express my sincere appreciation to Richard Clarke, our previous producer, for everything that he has done for Chester Gang Show and Scouting in Chester District – he will be sadly missed now that he has hung up his woggle.

The staging of this year's show has meant that the Production, Technical and Scenery teams have had to think outside the box as we have previously had all the trimmings of a professional theatre to design the show against. I hope that this performance will not disappoint you. It is the result of many people pulling together and putting in a tremendous amount of time and hard work. As a team event involving Cubs, Scouts, Explorers, Network and Leaders, Gang Show has no equal; it brings out the best in people and encourages personal development and self esteem in the true spirit of Scouting.

I would like to express my sincere thanks to the whole team, including Production, Technical, Wardrobe, Scenery and many others, but particularly the Gang, who have put their support and trust in me and have been fantastic to work with this year.

Finally, I must thank you, the audience, for your continued support – without you we simply would not be able to do it. So sit back and come and "See the Show" and don't leave until after "The Party's Over", let the members of Chester District Scout Gang Show entertain you.

**Keith Harding**
